REPORT 2026

The most influential Paper Industry Event in West Africa

ProPaper Nigeria 2026, held from 23–25 June 2026 at Landmark Centre, Lagos, brought together the entire value chain of the paper, printing and packaging industries under one platform.

The three-day B2B exhibition and conference connected global manufacturers, technology providers, distributors, investors, buyers and industry leaders, providing a dynamic platform to showcase the latest innovations, exchange industry insights, explore emerging business opportunities and build strategic partnerships across Nigeria and the African market.

Organised by Verifair Business Events, ProPaper Nigeria 2026 successfully facilitated business networking, knowledge exchange, technology discovery and market engagement, creating meaningful opportunities for industry stakeholders to connect and explore new avenues for growth.

PROpaper Nigeria 2026 exhibition holds in Lagos, receives FG's commendation

The Federal Government of Nigeria has commended Verifair Business Event, organisers of the three-day, 4th Africa International Trade Fair and Conference for paper product manufacturers, printing and converting industry, which held between June 23 and 25 at the Landmark Centre, Lagos.

Special Adviser to the President on Economic Affairs, Mr. Tope Fasua, who declared the event open, said the event was a well thought-out initiative at this point when the Federal government has taken steps to curb the usage of plastics, which is posing environmental challenges in Nigeria. He described paper products as durable and resilient repositories of history and knowledge, affirming that the new IT devices cannot wipe away the long established system of paper books and libraries.
